

The background of the poster is a collage of images related to Cuba. At the top left, the Cuban flag is shown waving. Below it is a large, classical-style building, likely a government or historical structure. In the bottom right corner, there is a street scene in Havana featuring vintage cars and pedestrians. The text 'DSU' is in the top left, 'SPRING BREAK' is in large white letters across the top, '2019' is in large outlined letters in the center, and 'CUBA' is in large red letters on the right side.
